Letter from the Program Director

Written by John Mensah

"Of all the months of the year there is not a month...so welcome to the young, or so full of happy associations, as the last month of the year." — Charles Dickens.

As we enter this festive season, be assured that Community Services Foundation, through our partnership with your apartment community, is focused on ensuring we provide services that will enhance the lives of all residents.

We have made a firm commitment to helping our youth and teen learners academically and socially through our wonderful and exciting After-School Program. Be sure your child participates in our Native American and Indigenous People presentation that is scheduled for December 6th at 4:15pm. Thanks to a generous donor, every child enrolled will receive a gift this month! With limited spaces available, now is the time to enroll your child to avoid the waiting list.

We will also work to ensure our Adults and Seniors receive enriching online and in-person programs designed to promote personal growth and well-being. From career and job readiness workshops to financial literacy and health and wellness classes, these programs are designed with you in mind. Whether you're joining us at the community center or participating from the comfort of your home, our team is ready to assist you with resources, guidance, and information.

Thanks to our partnership with your apartment community, all of our programs are free of charge. We aim to make the community center your go-to resource for enhancing your quality of life. Your ideas are welcome—reach out to us through your community center site coordinator or call our main office at 301-925-4251. You can also email us at programs@csfnd.org with your questions and inquiries.

Community Manager Message

Dear Residents,

Thank you for your continued residency and cooperation as we close out 2024. It is our hope that you and your family will have the happiest of holiday seasons.

We ask that you report any needed repairs as quickly as possible. Promptly notifying the rental office of repairs will allow us to quickly address the concern and ensure that you are able to enjoy the remainder of the holiday season.

We also ask that you dispose of your trash as quickly as you can. December is a month when we often have more garbage than usual and this will help with our trash collection efforts.

Finally, as we approach the conclusion of 2024, we look forward to ushering in a new month and year with zeal and excitement! We are grateful for the opportunity to serve you in 2024 and look forward to serving you in 2025.

Youth & Teen Education Updates

Written by Tiffani Grier

As we enter December, Community Services Foundation's (CSF) Learning Lab continues to thrive, providing impactful academic enrichment and project-based learning opportunities Monday through Thursday.

This fall, we've expanded our reach by including middle school students, whose participation and enthusiasm for S.T.E.A.M. (Science, Technology, Engineering, Arts, and Mathematics) projects have grown each week. These hands-on activities have fostered creativity, teamwork, and critical thinking skills across all grade levels, while our Targeted Instruction and Curriculum Team supports individual growth through tailored IXL assignments, certified teacher-led homework help, and innovative weekly themes like Artistic Creations, Environmental Science, and Space Discovery.

November brought inspiring milestones, including our Vibrant Voices Hispanic Heritage Month celebration, where students shared cultural insights through presentations and crafts, and the continuation of Native American Heritage Month studies, which will culminate in a celebration honoring Native contributions during the first week of December.

Health & Wellness

Written by Janel Patrice, BS, MA

The Month of December is identified as the most difficult time of the year for mental health challenges. December is also designated as “Seasonal Affective Disorder” Awareness Month. Reduced daylight and cold weather impacts moods and well-being.

This month is inclusive of the holidays, and the loss of family members and friends, can be overwhelming emotionally. For many people, the holidays lead to a massive disruption in day-to-day routines. But maintaining healthy habits like talking with friends, family, and even being open to therapy, getting proper sleep, and exercising, are critical to keeping your mental health on track. The following are things you can do:

1. Accept Your Feelings
2. Maintain Healthy Habits
3. Set Boundaries
4. Make Time to Connect

Enjoy the Holidays! Connect with a friend! Stay in prayer and in peace!

Happy Holidays from the Mental Health Support Staff at Community Services Foundation
