"January is the month of rejuvenation and renewal—let it inspire your spirit and energize your aspirations." – Naide P. Obiang

As we step into this promising new year, Community Service, in partnership with your apartment community, reaffirms its commitment to enhancing the lives of all residents. Together, we embark on this journey with fresh opportunities, new beginnings, and a shared focus on growth and well-being.

For our youth and teen learners, we are excited to continue offering our engaging After-School Program—a safe and nurturing space that fosters academic success and social development. Participants will be taken through both instructions and project-based STEAM learning.

For adults and seniors, we are proud to provide a variety of enriching programs tailored to support your personal and professional goals. From career readiness workshops and financial literacy classes to health and wellness programs, our resources are designed to meet your needs. Whether you join us in-person at the community center or participate virtually from the comfort of your home, our dedicated team is here to guide and support you every step of the way.

Finally, for the families as a unit, we will be embarking on field trips, nutritional sessions as well as grocery and food commodity giveaways. Thanks to our partnership with your apartment community, all of our programs are offered free of charge. Your community center is here to serve as a vital hub for resources, growth, and connection throughout the year. We value your input and ideas—please don't hesitate to connect with your site coordinator, call our main office at 301-925-4251, or email us at programs@csfnd.org.

Let's embrace this new year with optimism and purpose. Together, we can make this a year of transformation, opportunity, and success for all.

Youth & Teen Education Updates

Written by Tiffani Grier

In December, our Learning Lab embraced a month of cultural exploration and holiday cheer. We began with Native American Celebrations, where students showcased their knowledge through presentations on famous Native Americans, their rich cultures, and their lasting contributions to society. The students' enthusiasm and effort were truly commendable as they shared what they learned.

As the month progressed, students embarked on a journey to explore holidays around the world, gaining a deeper appreciation for diverse traditions. During the final weeks, students engaged in open recreation activities, including a Winter S.T.E.M. challenge, creative handwriting exercises, and other festive, fun-filled projects. These activities not only sparked curiosity but also nurtured teamwork and creativity, making December a memorable month of learning and joy.

Health & Wellness

Written by Janel Patrice

Happy Holidays and
Happy New Year!

As we embark on a
New Year, January
is designated as
Mental Wellness
Month, which is
meant to reinforce
the importance of
maintaining your

mental health and well-being, and breaking the stigma associated with
mental illness, and spreading awareness.

There are ways to prioritize your health! As you transition from the festive
season into the new year, shift your focus inward after the rush of the
holidays can have great benefits. This month can provide you with an
opportunity to consciously reflect, reassess, and recalibrate your mental
health strategies. This time of year, should not be focused on survival or
getting through these winter months, but proactively emphasizing mental
health awareness and self-care.

I challenge you this month to
establish healthy habits and
fortify your mental health for
the year ahead. Here are a few
ways to make a positive
difference. Embracing mental
wellness topics and adopting
healthier coping strategies
may assist you with significant
changes in your life. Also
fostering resilience, happiness
and overall well-being. Utilize
the tools that you have within
CSF HR as it relates to your EAP
and make this year better than
the last!
